TERESA L. DEPPNER, CLERK
U.S. District & Bankruptcy Courts
Southern District of West VirginiaTo whom this ~~may~~ concerns to.

My NAME is ANGEL MORALES Registered NUMBER 10907-055. On July 1, 2004. I was called to the Captain office. Well I worked in the Captain office, I was called to come in. and when I got there there were a LT. and the Captain. I thought something had happened. But Captain Hutchings started telling me did I ~~write~~ wrote the Captain up. And I answered yes, Sir I did. Captain Hutchings order me to discontinued the Rortedy. When I Refuse Captain Hutchings got every upset and told me I give you 15 second to discontinue the Rortedy, I told him I couldn't do that Sir. He addressed me as considered yourself fired. Then I told him yes, Sir. Then Captain Hutchings ask me again to drop the claim. I told him I can't do that Sir. He said I'm sick and tired of you guys CRAP and believes. You will drop the Rortedy or you will go to Special Housing. Then I Refuse he send me to the (STH) Special Housing. Then He said I can send you to the next bus to California. I told him he had work to do. So Captain Hutchings left me in Special Housing for one night. The next day I got out Captain Hutchings send for me. and told me to think about the Rortedy and He will give me my old job back if I drop the Rortedy. Again I thought Captain Hutchings would send me to the (STH) Special Housing. Instead I went back to my unit. But I lost my cell and they put me on a 12 men public living quarters. I'm afraid for what Captain Hutchings is going to do when

Captain Hutchings forced out that I send to the Region the
 10 and the nine explaining to the Region what had
 happened. I know soon I will go back to the
 Special Housing AGAINST my will. But there is NOTHING
 I can do about it. It seems to me if you weight one
 of the Staff members for what they did they punish you.

I will like for you to take this on consideration
 Acknowledged what had happened to me AS A Retaliation from
 Captain Hutchings. I am scared that they will plan something
 in my locker so they can have a Reason to mis treat
 in the (SHU) OR in Special Housing. I thought that the
 Remedy was the Right of the prisoner to filled. I still
 can't understand why they had send me to the (SHU)
 The Captain never gave me a shot or an explanation
 or what ever it takes to tell me why I was going
 to the (SHU). Just because I filled up a Remedy AGAINST
 them. I hope you can help me. In 14 month I have
 been here I never disrespected anyone. Not even a
 Inmate. I mind my business and stay out of the
 way. I do my work, plus I help the GED teachers
 on my own time with the Spanish speaking inmates.
 plus I give the Spanish classes and never had
 disrespected the teachers or anyone. I don't understand
 why Captain Hutchings will Retaliate AGAINST me like
 Captain Hutchings did.

I would like for you notify this letter and send it back to me. Just in case something bad happened to me here. I also would like for you to help me with my transfer closer to home. OR as close as you can to Rochester N.Y. He had abuse his authority against me and I would like to leave here. Before Captain Hutchings will do something bad to me. He doesn't care for the well being of a inmate here. Is like he said put that in your Rooter. I can't sleep because I don't know if they will come and put me back in special housing. I got to be looking over my back. Just in case Captain Hutchings send for me. I would appreciate if you can help me please.

Sincerely

Thank You Very much
